

St Patrick's Day

Flourishing through
visual
communication
means creating
clarity, connection,
and confidence, one
visual at a time.

ST PATRICK'S DAY

On March 17th each year, it will be St Patrick's day.

On St Patrick's day, there will be parades to celebrate St Patrick's day in cities, towns and villages, in Ireland and in different countries all over the world.

I can go and watch the parade on St
Patrick's day if I would like to.

To stay safe during the parade, I can stand on the footpath to watch the St Patrick's day parade.

On St Patrick's day, lots of people may like to wear green clothes. I can wear green clothes if I would like to.

There will be lots of people at the St Patrick's day parade. There will be music, singing and lots of other noises that I will hear.

Some people at the parade will be clapping, wearing costumes, and cheering as the parade performers pass by.

When the parade is over, I can leave with
my family.

HAPPY ST PATRICK'S DAY
